

News from the Shop

August 2014

Hi Everyone

First as a reminder we have moved!

Our new address is:

245 W Roosevelt Rd
Building 2 Suite 8
West Chicago, IL 60185

All our phone numbers remain the same. Our website and e-Mail remain the same also.

We're off to Grand Cayman again Oct 8 through Oct 15th. Call the Shop for details.

We're having a picnic at Haigh Quarry Aug 31st. Please call or e-Mail the shop if you would like to go diving and have a picnic. The shop is providing hamburgers and hot dogs. Please bring a dish to pass. If you need help deciding what to bring call the shop.

We are also looking for Lake Michigan divers any time.

We also have folks interested in diving weekday mornings in the quarries. Just e-mail or call the shop and we can start anytime.

What's our next warm water trip? Help us decide the Caribbean, Micronesia, or Australia.

Hey lets not forget a good diver is always learning so take a class! Even some of our instructors have been taking classes in the last year.

If you haven't yet come and seen our new location or gone diving with us. What the is stopping you?

Illinois Institute of Diving Staff

Upcoming Diving Trips/Outings

Grand Caymen

Oct 8th—15th 2014

We know that it is coming up soon. Now is the time to plan! Join us diving the pristine and protected marine park waters surrounding Grand Cayman. The water temp is 78°-84°F with visibility over 100ft. Whether your desire is to take great photographs or just enjoy beautiful marine life, this is the trip for you.

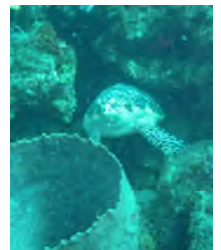

Call for more details and to reserve your spot.

Florida— South Florida

Sept 24th—28th 2014

There is both diving and snorkeling, on this trip. If you have kids that can't dive yet, they can still join the fun during the snorkeling outings. This trip makes a great family get away, as it is an extended weekend. A great trip to complete your open water training dives on too! [More Details](#)

Florida Caves and Caverns

October 26th—November 2nd

Explore the underground waterways! Go where few people have been and improve your diving skills. Oh yes, we have cookies!
Call for more details and to reserve your spot.
