

Join The Illinois Institute of Diving in Florida and Kiss a Manatee!

Dive with the Manatees all year long! Dive the crystal-clear water of the Florida Springs and Rivers. Frolic with those loveable MANATEES, explore the 50 ft cavern at Kings Springs! Fly down a gentle current in a clear river for a fun dive. The trip runs Thursday through Sunday evening. IID schedules a trip each time we have interest in a short getaway for training, fun or a great airfare becomes available. We go as often as every month to this beautiful and popular area.
